

Veryan Primary School News

Friday 23rd September 2016

Harvest is a great opportunity to thank God for all that we have. Please take the opportunity to talk to your children about what they might like to say thank you for and to think about other people who are less fortunate.

Water Bottles

We are very committed to giving our children free and continuous access to water at Veryan school.

However, it can take a very long time to clean and fill bottles and we do get some problems with names rubbing off and bottles being mislaid.

As of next week we will be phasing out the school drinking bottles so please could we ask that your child brings in their own, named drinking bottle filled with water. If your child forgets to bring theirs one day, we will continue to provide them with cups of drinking water as needed.

Harvest

Please join us for our Harvest Collective Worship on Thursday 6th October in the village church from 9:10am. The children have been working hard on some special celebration work they would love to share with you.

If you would like to donate tins or packets of food and produce, please hand this into the school

office by Friday (30th Sep) morning so that this can be displayed and used in the Church service on Sunday 2nd October. All donations will be distributed throughout the local community.

Link to Hope ShoeBox Appeal

We would like to support our village community in their campaign to collect shoe boxes to donate to families and elderly in need in Ukraine, Bulgaria, Moldova and Romania.

We are using a different organisation to usual but more information can be found on the website: www.linktohope.co.uk. On this website it explains how easy it is to spend very little but create a fantastic gift for a family at Christmas time. The good news is that the box and lid do not need to be wrapped separately; the whole box with contents can be wrapped at the end. Leaflets are available from the school foyer to give more information about this initiative.

Finished boxes will be collected during Collective Worship on Friday 21st October.

Thank you to all parents and carers who ordered their children's meals and have made payment using the Parentpay system. We appreciate that there has been a lot of changes and it's not always easy to get to grips with them straight away, but we are grateful for your help and support with this. The kitchen staff and lunch time supervisors in particular have seen huge improvements in the smooth running of lunch times and the children are benefiting from more time dedicated to learning rather than selecting meals and completing registers.

If you experience any problems or have any questions regarding payments using Parentpay please ask at the school office.

Special Menu – Thurs 6th Oct

If required please amend your order on Parentpay.

Please note: There is no need to make changes if your child is happy with the meat/vegetarian option offered for the special menu; if they have ordered the coconut chicken they will be given the chicken fillet, the vegetarian option remains as macaroni cheese and jacket potato and school packed lunches will still be on offer as usual.

Please come and join the children on Friday 7th October at school after the Church Collective Worship (approx. 9:45) to raise funds for Macmillan Cancer Support as part of their 'World's Biggest Coffee Morning' fundraiser.

The children will have been busy baking cakes and treats and there will be tea, coffee and squash available. All the money made will be donated straight to Macmillan Cancer Support. We would love to see you there!

The children can also bring money into school on this day in a marked purse/envelope to buy their own cakes.
