Message from Mr Tyers:

Welcome back to the new autumn term and a special welcome to all the new members of our school, I hope you all enjoyed a lovely summer holiday and had a super first day at Veryan?

I'd like to start by saying a huge well done to **all** the children for settling so well into school on Wednesday. It was a delight to walk around the classrooms and see everyone so engaged in their learning and focused right from the beginning of the day. A really positive start!

Veryan Music

Updates

If your child would like to learn any of these instruments please sign up online and/or speak to Mrs Karen Green (Charlie's mum). Lessons will begin again on Thursday 13th September.

Year 6 fundraising—tuck

From Monday 10th September the Year 6 children will resume the sale of snack at morning break. This usually consists of a small pot of dry cereal, a cereal bar, fruit etc. If your child would like to buy tuck at morning break please label an envelope or purse/wallet with approx 20p–30p.

Veryan Sports News

We are pleased to welcome Jasmine Michell to Veryan School on Tuesdays to lead our PE and sports lessons. There will be plenty of sporting opportunities throughout the coming term including sailing, swimming, sessions with the Cornish Pirates, after school clubs, as well as participation in various Roseland Sports Network events.

Whilst Miss Michell will predominately be in school on Tuesdays please can we ask that all Year 1–6 children have a PE kit in school all week to enable us to use every available opportunity to get moving and be active.

Please look out for details in next week's newsletter about the after school clubs. These will begin from Monday 17th September. A text will be sent home to inform you when these will be available to book.

You will have noticed our new fence and gate in the playground which we hope will offer more security for the school and our equipment during out of school hours, but also more flexibility for our children—offering them a chance to choose their play time activities and where they play during break times.

From Monday 10th September we would like to offer the children a selection of toys/games in the playground from 8.30am. The playground will be supervised by staff so that parent's are able to leave their children in the playground from 8.30. If this proves successful we may introduce a member of staff on the gate to meet and greet you all and for good-byes to be said at the gate. This would mean the children can then be left at the gate and are free to play in the playground with friends before the beginning of the school day.
