

Veryan Primary School News

Veryan, Truro, Cornwall, TR2 5QA

Friday 20th September 2019

Expected average attendance for a child is 96.1%. Our attendance for last week was:

Carne: **98.08%** Pendower: **98.89%** Kiberick: **99.58%**

Congratulations **Kiberick** you are our attendance heroes this week.

Veryan Autumn Show

We would like to express our thanks and congratulations to the organisers of this year's Veryan Autumn Show, it appears to have been another great success and many of our children, parents, staff and friends of the school were delighted to have been able to attend and take part.

Well done to our talented parents and school band who were allowed to play at the opening of the Show and did the school proud!

Congratulations also goes to those children that won awards for their Show entries—look out in future newsletters for details of positioning and awards.

With a new school year and lots of new routines, some children are finding it a little harder in the morning to line up and come into school with their class.

To help support those children that are finding the morning separation difficult, we would like to make the process as swift as possible. Once the whistle has blown and the children line up, all staff are required to lead their children into school. We ask that any messages are passed to the teacher via the school office and that teachers are not held up in the playground with their class kept waiting any longer than is necessary. Thank you for your understanding.

Advance notice:

Miss Danks has been called to jury service next Monday (23rd September). At this time we do not know whether this will impact on her teaching at Veryan on Tuesday, however, in preparation for her absence we would like to give you advance notice that we may have to cancel her multi-sports club on Tuesday 24th September. A text will be sent out to confirm once Miss Danks has been informed of the expected length of service.

We apologise for any inconvenience this may cause.

Carne class: Emily for 'giving it her all' in learning and singing nursery rhymes, and for her general enthusiasm in the classroom!

Pendower class: Florence for her fantastic independent learning and confidence in the classroom.

Kiberick class: Amy for making a storming start to year 5, with plenty of confidence and suggestions in her classwork.

Update: Year 4 also attending for first week!

***Year 5&6 bowling sessions at Veryan Bowling Club**

We are delighted that Veryan Bowling Club have agreed to lead a group of children each week to teach and develop new skills in bowling at the Veryan Bowling Club.

This will be open to our year 5 and 6 children on Monday afternoons from Monday 23rd September-Monday 2nd December.

(Also open to year 4 children on Monday 23rd only, to see what happens and support their peers).

The Club have had new carpets and renovation work and ask that **all** the children **bring a pair of slippers** to play in— to give some protection for their feet but also to keep their surfaces clean and clear of outdoor debris.

The children will be accompanied by Mrs Hawkins, Mrs Bullen and Miss Beale to the bowling club and will be walking there and back, so they will need waterproofs/warm clothing.

Have you seen our new brochures?

We would like to say a HUGE thank you to Mrs Stephens for offering to produce these for us. Mrs Stephens gave up her own time and resources to put the brochures together and print them all in time for the Veryan Autumn Show. We think they look great and hope they help to promote the brilliant school we have here!

There are copies to view in the school reception area.

Autumn term - diary dates

Monday 23rd Sep

- *Year 5&6 bowling sessions at Veryan Bowling club (continues each week until Mon 2nd Dec)
Year 4 for 1st week only!

Dates and times are added and altered throughout the term so keep an eye on this section for more events and dates!

On Friday 27th September we will be holding a coffee 'morning' in aid of Macmillan Cancer Support.

Our year 6 children will help to run this event in their club from 2-3pm and would like to invite parents, friends and the Veryan community to join us in school (or even outside if the weather allows!) for a drink and cake to raise money for this fantastic charity.

If you are able to bake or buy cakes to donate to this event we would be very grateful.

Please hand these into school on the morning of the World's Biggest Coffee Morning (Friday 27th).

We look forward to seeing you there!

Please be aware that there is a funeral in the church on Friday 20th September. This may cause some congestion and parking issues from approximately 10am.

My name is Amy Brooks. I am the One Vision Community Development Worker for Carrick (Locality 3) covering Truro, Perranporth, the Roseland, Falmouth, Penryn and surrounding areas. Working for Volunteer Cornwall and embedded in Cornwall Council's Children Services, this role includes identifying and supporting Voluntary and Community Sector services that are available in the area for the benefit of children, young people and their families.

I am currently supporting a parent of a child with autism who would like to set up a support group for parents and carers of children with autism. I have created the following survey (see link below) to find out the views of parents and carers of children with autism about a new support group. It would be great to get as many responses as possible to support the creation of this group.

Title of Survey: **Creation of an informal, drop in support group for parents and carers of children with autism living in Truro and the surrounding areas.**

The survey can be accessed online using the following link:

 Public Health England

Vaccines save lives

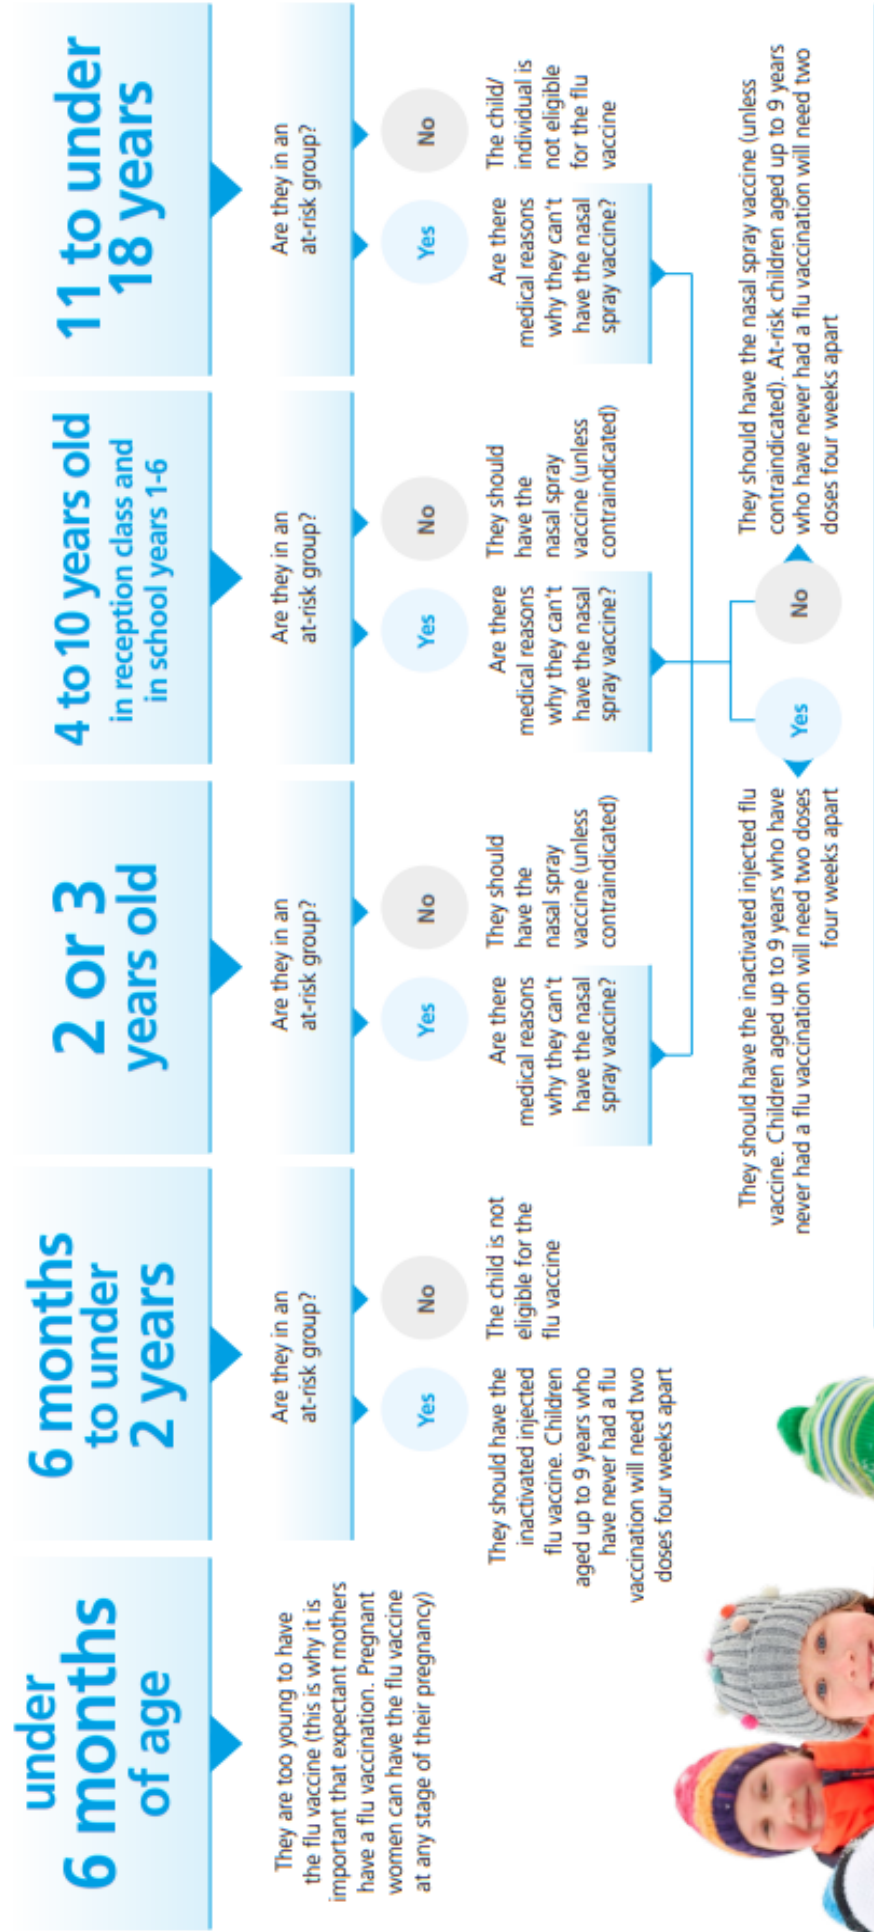

After clean water, vaccination is the most effective public health intervention in the world. Vaccines save lives and promote good health. It's vital that everyone eligible gets vaccinated.

Which flu vaccine should children have?

There are two types of flu vaccine available for children in 2019/20 – the ‘live’ nasal spray vaccine and the inactivated injected flu vaccine. This chart indicates which vaccine children should have.

What is the child’s age?

Notes.

- **Those aged two and three years old on 31 August 2019 (but not four years old)** are eligible for flu vaccination in general practice.
- **All primary school aged children (those aged 4 to 10 years old on 31 August 2019)** are eligible for flu vaccination in school.
- **At-risk children** include those who have long-term health conditions such as asthma and other respiratory diseases, liver, kidney and neurological conditions including learning disabilities, even if well managed.
- **The nasal spray vaccine** is a 'live' vaccine but the viruses in it have been weakened so they cannot cause flu. It is not suitable for all children including those who are severely immunocompromised, or are on salicylate therapy.
- **Specialist advice** should be sought for children who have needed intensive care due to asthma or egg allergic anaphylaxis, or have been taking regular oral steroids for asthma.
- **Children who are wheezy at the time of vaccination or have been wheezy in the past 72 hours, should be offered a suitable injected flu vaccine to avoid a delay in protection.**
- **See the Green Book Chapter 19 Influenza for details:** www.gov.uk/government/publications/influenza-the-green-book-chapter-19
