Friday 7th February

Expected average attendance for a child is 96.1%. Our attendance for last week was:

Carne: 96.38% Pendower: 95.68% Kiberick: 95.38%

Congratulations **Carne** you are our attendance heroes this week.

Carne Class have been completing their crowns, adding decoration and making them worthy of Royalty—we think they look beautiful!

Potty Pendower!

Pendower class made Greek pots, they had to show great perseverance and resilience to complete them as they discovered the clay was hard to work with and kept collapsing! The children found that a coil pot construction was the most sturdy in the end.

Impressive work!

Kiberick class continue to look at The Romans this week. Did you see some of our Roman road photographs on the class pages of the website? We had an amazing time constructing from various materials. Thank you to all the volunteers who helped us with this.

Wild Tribe this week saw some extreme weather, so sadly we had to abandon our field plans. Last week, we had prepared wood for our dens which will have to be built another day, so instead, we made some small prototypes in Carne class and considered how our teepees will be constructed in actual size. There was fantastic team work and sharing of tasks that will bode well for when we build the real thing.
