Friday 16th July

Message from Ms Jarrett

I don't know how we have found ourselves in the penultimate week to the end of term! How time flies!

I think all the children are starting to feel a bit tired and are looking forward to the rest, however, they are still working really hard and impressing the teachers with their efforts.

Last week we all had a trip to the Wild Tribe field to see our new Wild Tribe HQ. Thank you so much to our PFA who generously organised and paid for the structure, which means that we now have a dry space and shelter for colder/wetter weather for our off-site learning. Thank you to Mr Wilson and Mrs Nel for leading a photoshoot for us to promote our amazing learning area. If you haven't seen it, please remember to have a look at our school website <https://www.veryanschool.co.uk/web> for the photographs and video https://www.veryanschool.co.uk/web/whole_school_events/433427 and please do like and share the links to our school website on our school Facebook page: Veryan CofE Primary School to spread the word about our fantastic little school!

The children also came together outside for a day of cricket with Chance2Shine, led by Mustafa Shaikh. Mr Shaikh was brilliant at showing the children some key cricket skills and gave a talk during collective worship about Cricket and its importance as a sport around the world. Sport continued with some of our Kiberick class who went to Fistral beach for a day of beach safety and surfing. We have been extremely lucky that the weather has been on our side this week and we hope it continues into next for the performance and end-of term treats.

It looks like we're going to have a sunny weekend, so I hope you all get to enjoy it and feel ready and refreshed for the final push into summer.

With best wishes

Caroline Jarrett

Expected average attendance for a child is 96.1%. Our attendance for the last week was:

Carne: 87.39%Pendower:96.67%Kiberick:90.53%

Congratulations **Pendower** you are our attendance heroes this week.

Kiberick Class
super surfers

Well done to our surfers—we had a great day and you showed amazing resilience and determination!

Mrs Cartwright was very pleased with the children who had decided surfing wasn't for them—they remained at school and worked on their personal projects. This was an excellent step towards independence and the results are fabulous! You can find them on our class pages.

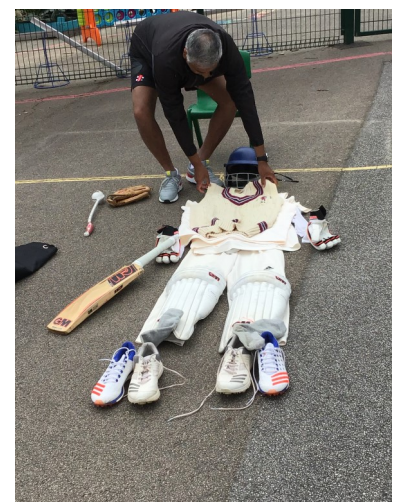

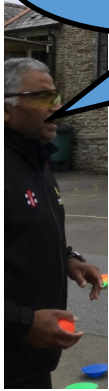

Just to say thank you for a warm welcome today.

I really appreciated your organisation and thank you to all the staff for their help.

Children were absolutely delightful and a credit to you all.

Thanks and have a great rest of the term and a well deserved summer break.

Mus

Celebrating Toys!

Dear Parent

Veryan Church will be holding a Festival of Toys, old and new from Friday 27th August to Bank Holiday Monday 30th August, 11am -4pm. (except Sunday:1pm -4pm) Toys will have to be displayed at the owners' risk, however they will be cordoned off and the church will be well stewarded.

In addition to older, much loved toys we also invite children to submit their favourite toy.

Although children will not be allowed to touch the exhibits, we will have a small area supplied with some toys, books etc where children can touch things and play under supervision.

All items will be catalogued, including any details or history you choose to give us.

For an entry form and further information please either telephone 01872 501788, email shelaghkester76@gmail.com , or collect from the church. For security reasons no toys will be accepted on the day and a completed entry form has to have been received and logged.

If you don't have anything to exhibit just come along and enjoy the displays!

HEADSTART
KERNOW

Your Child Online 6-8 yrs

Using this Guide

The Guide is a practical way to help you have conversations with your child about what they get up to online, and whether to be concerned about anything they're doing.

With the increasing need for time on computers and devices, have you ever had any worries about 'what your children get up to online?' Do you notice that your kids might claim that they know others are allowed something you deem to be inappropriate. Perhaps you wonder about what is age-appropriate and need to know more about what should be a cause for concern.

Over at Headstart Kernow you can download the relevant advice for the age range of your child/ren (some households will need to consider more than one age range and the logistical issues this can present).

Follow the link below to access advice and guidance for children 0-5 right up to 16-18yrs.

<https://www.headstartkernow.org.uk/digital-resilience/parent->

We have been advised that, sadly, the Veryan Autumn Show has been cancelled for this year.

However, the Parish Committee are keen to hold a Scarecrow Competition in the village over the weekend that the show would have been held:

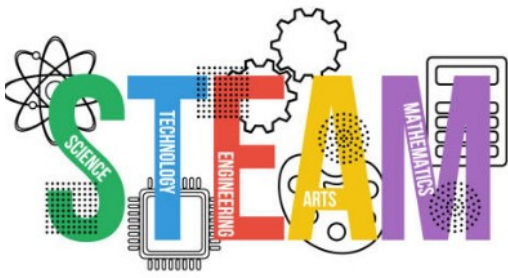

17-19th September 2021

So why not use some of the time in the summer holidays to start making and creating your unique Scarecrow ready to enter into the competition? See the Parish newsletter for more details.

Pick-up and drop off parking

Please can we remind parents to park with consideration for our neighbours and in particular not to block the lane that runs between the well and the toilet block, as this is required for access to the houses that run behind the school.

STEAM stands for Science Technology Engineering Art and Maths. STEAM club will be completing various activities around these areas.

We lined our planters and planted seeds and here they are only 3 weeks later!

Here's our rockery on the school playground—we would really like any cuttings of succulents or other good ground spreading plants that we can add to make it come alive!!!

Summer Holiday Clubs & Weekend Clubs...

WWW.ONEANDALLSPORTS.COM

Mr Webb:

"Hello to all parents and children! I am excited to announce that this summer I will be launching my organisation 'One & All Sports' and will be running 5 Holiday Clubs & 6 morning Football Fun Clubs. The clubs will be for children of all ages and abilities. My goal is to ensure that everyone can get involved and have the opportunity to try lots of different sports activities and games throughout the summer. I will be leading all the activities myself with the help of other confident coaches/staff members. I aim to create a fun and safe environment where children can learn new skills and make new friends in the local community! I hope to see you soon!"

What you need to know...

We provide all our information about the organisation, clubs, number of spaces available etc on our Website & Instagram page!

Active Holiday Clubs:

- Ages 8-11 years
- Wednesdays, 8:30am- 4:30pm
- £25 a session
- Grampound with Creed Village Hall
- Maximum of 20 children

Weekend Club (Football Fun!):

- Ages 4-7 years
- Saturdays, 9:00am- 10:30am
- £4 a session
- Tresillian Playing Field
- Maximum of 20 children

Booking & Payment:

- You will need to book your place on our website but make sure your child fits that age bracket.
- We are currently only taking cash and cheques payments so you will need to pay on the day.

Contact Details:

- Lead Coach – Rory Webb
- Email Address – rorywebb@oneandallsports.com

- Website – www.oneandallsports.com (up and running from June 29th)

Truro Community Library Summer Reading Challenge

The Summer Reading Challenge is starting again on Saturday 10th July until 18th September. All children are invited to come in to sign up from that day.

As usual children read 6 books from the library over the summer holidays. We usually ask them to make 3 different visits i.e reading 2 books each time.

This year the theme is Wild World Heroes, an environmentally aware and nature themed topic to link the whole Challenge. However, children can read any books they like – fiction on any theme, non-fiction, graphic novels or they can listen to audio books. They can also sign up to Borrowbox using their library cards to access e-books and audio books. There are lots of fantastic books on Borrowbox. Look on www.cornwall.gov.uk/library and follow the links.

As in previous years each child receives a story leaflet when they join up and small gifts and incentives such as stickers along the way as well as a medal and certificate when they complete the Challenge.

You can also log on to www.summerreadingchallenge.org.uk for more information and to join in online activities such as games, creative activities and to find books.

Children can also order books online at www.cornwall.gov.uk/library using their library cards. That way they can order books from any library in Cornwall, then come into Truro to pick them up.

We are open for limited browsing from 9- 5pm each weekday and from 10-4pm on Saturdays. We are hoping to be completely open again from 19th July. The garden will be open again and we hope to have Covid safe activities going on as well over the summer.

Thank you to all the children, families and staff who have continued to use the library over this year. We are really looking forward to seeing everyone back in the library!

READING

You know that learning to love books and reading is one of the most important gifts you can give your children. Here are some top tips to help you and your child get the most out of sharing books and develop their love of reading.

1. Be a reading role model.

Make sure you read yourself and that your child sees you reading. It doesn't need to be a novel and it might not be a book BUT you need to talk about what you have read with your child.

2. Reading with or to your child every day

Spending 10 minutes a day reading to your child helps them develop social and emotional skills and become confident, happy learners. Little and often is more effective than a half an hour splurge.

3. Read from technology TOGETHER

Evidence has shown that reading from a tablet, laptop, mobile phone etc can be beneficial in engaging children in reading (particularly boys) BUT they need to do it alongside an adult. Using a device to find out information about something in their interest, to watch videos with the subtitles on or to read ebooks is effective when it is linked to other things your child is learning, and when it is balanced with other learning activities.

4. Have a family bookshelf

Keep all your books together and allow your child to organise the books in their own way, e.g. books from most favourite to least favourite, to group them based on author or what they are about. Keeping books together allows children to see that books and reading are important.

5. Ask and answer questions about what you are reading about

Reading words is important but talking about what they are reading and the pictures helps them look for meaning from what is on the page. Here are some questions to ask when reading together.

- What do you see on this page?
- How do you think the characters feel?
- What do you think is going to happen next?
- When you have finished, talk about how your child feels about the book:
- What did they like?
- What didn't they like?
- What can they remember about what happened?
- Who was their favourite character? Why?
- Link the story to their own experiences.
