Message from Ms Jarrett—HIGH IMPORTANCE

A warm welcome back to everyone. I hope you all had a lovely half term break.

You will be more than aware by now of the changes in guidance and the law regarding the new lockdown we find ourselves in. It is imperative then, that we are extra vigilant in our social distancing when dropping off and collecting children from school and not waiting for extended periods, either before or after school collections. The safest and easiest way to do this is to ask that those parents who have driven to school, wait in their cars with their child(ren) until the child's allotted drop off or collection time.

We recognise that getting children ready and out of the house in the morning can be challenging, but it is essential that all our families are prompt for drop off and collections to maintain our bubble integrity and to abide by our legal obligations. We must ask for your cooperation in this and thank you for your support in helping us to keep our children and staff safe and well.

With thanks

Caroline Jarrett

Special note:

A big warm welcome
to Libby—well done
on your first week at
Veran!

Carne Class have been busy
making and repairing toys
and games in their new toy
workshop

The children
have loved
learning
about money,
toys from the
past and
thinking
about stories
where toys
come to life.

There was quite a queue in the toy shop!

A huge thank you to Mr Busby for building us a
workbench for our 'Terrific Toys' topic this
term.

It was such a lovely surprise when we returned
to school!

We built a 'bonfire' of leaves—but this pile is not for burning. Over time the leaves will turn to mulch which will be used to suppress the weeds etc. around the tree nursery.

Mr & Mrs Morse came to give us some football coaching. Mr Morse used to play and the children love to meet adults who bring different skills and expertise to enrich their learning experience. Coach said he could already see a big improvement in their skills—so watch out the rest of the Rose-land when matches are back on!!

Did you see our mention in the Parish newsletter? Thank you to Mr Webb for your note and support.

Thank you to our school!
We are grateful to Graham Webb for this note

"I was with the schoolchildren from Veryan school this morning [23rd October]. As part of their religious studies they have been sharing thoughts about God and have decorated pebbles with messages such as 'God is Love', 'God is Compassion'.

As they cannot go into church at present I went with their teacher Mrs Cartwright and they left their decorated pebbles either side of the church door

behind the shoe scrapers to share their thoughts with church members and visitors.

It was a lovely moment when they individually read out their messages and put their pebbles down. Mrs Cartwright was keen that the church members understood how the pebbles came to be there,"

Many thanks to Mrs Cartwright and the children at our school - the pebbles have been much admired.

Special note:
Warm welcome to
Louie, we hope you
like it in
Kiberick

We also had a lovely email from a member of the local community to say:

"I have just heard about the children in Mrs Cartwright's class and the wonderful messages they have put on their pebbles and left by the church door. I was feeling quite low this morning and that has really made me feel better.

I shall be going into the church either this afternoon or tomorrow and I will look at the pebbles.

Please thank all the children from all of us,"
