Friday 1st July

Message from Ms Jarrett

We have had a challenging week with some of our staff being required to isolate after Track and Trace notifications and with Ms Holden away, but I'd like to thank the staff for carrying on regardless and being so flexible. Also, thanks go to our volunteers for helping out to ensure activities and events could still take place for the children despite this.

Kiberick class visited the Kerdroya Project on Bodmin Moor on Wednesday, and it sounds as though they had a lovely trip—see page 3 for more information and photos (and of course the class pages on the school website!)

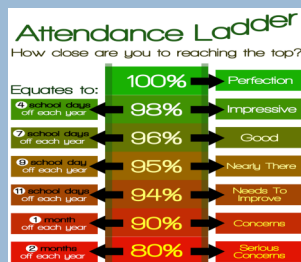

Our 'move up' morning has been very successful and the teachers have been delighted with the way the children have embraced the new class groups and welcomed new friends to the school. We hope your child found this morning useful and enjoyed spending time with their teachers and new class-mates.

Our year 6 pupils, sadly, didn't get their chance to visit The Roseland Academy as planned, however they have other opportunities through the summer and at the beginning of September. Instead of this visit the year 6's spent some very happy hours trawling through photos and memories of their time at Veryan in preparation for their leaver's celebrations this month. I'm very much looking forward to their presentations which are always a lovely way to reminisce and celebrate the end of their primary school journey.

With best wishes

Caroline Jarrett

The DfE's guidance states that school attendance will be "mandatory for all pupils from March 8".

The usual rules on attendance will apply, including parents' legal duty to secure their child's attendance at school.

The ability to issue sanctions such as fines will also be reinstated, and schools will be responsible for recording attendance, following up absence and "reporting children missing education to the local authority".

Expected average attendance for a child is 96.1%. Our attendance for the last week was:

Carne: 96.92% Pendower: 98.89% Kiberick: 95.26%

Congratulations **Pendower** you are our attendance heroes this week.

Kiberick Class—Kerdroya Golden Tree Labryinth Project

Did you know that a labyrinth is a continuous path whereas a maze has lots of dead ends. There is a saying that "In a maze you get lost, but in a labyrinth you find yourself."

Kiberick class worked with Kerdroya 2 years ago to rebuild a Cornish hedge on Nare's Head. This time we were invited to compile a time capsule to be buried in the labyrinth of Cornish hedging being created on Bodmin Moor. We are one of only 12 schools invited to take part. Jen, the organiser said that we were the most enthusiastic group she'd worked with and was impressed with the contents of our time capsule.

Carne Class

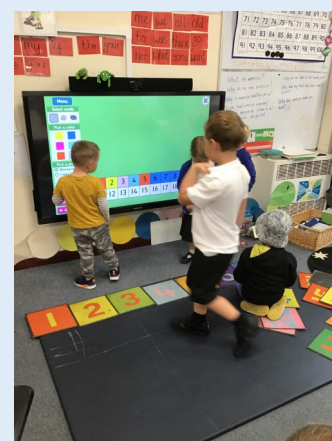

We have been playing musical instruments and trying to replicate different rhythms.

We are super excited about our new outdoor reading and reflection area

This week saw the start of our chicken egg incubation which we are excitedly counting down for the next 21 days. We have to turn the eggs every-day and monitor the temperature and water level.

Getting to know our new friends on 'move up' morning. Welcome to Veryan School!

Pendower Class

Pendower have been studying their topic of sound. They have talked about how sounds are made, high and low pitch sounds and how sounds travel to our ears.

We had metal spoons on the end of string—one person tapped the spoon and the other listened to the vibrating sounds at the top of the string.

Move up morning - sharing stories with our new classmates!
