Message from Ms Jarrett

It has been a very long half term and yet it still only seems a few weeks ago that I was writing my first newsletter entry for Veryan School and thanking everyone for making me feel so welcome! I'd like to reiterate those thanks and extend them to say a huge thank you to everyone for their hard work, support and dedication to the school. Veryan School is truly a special place and I have thoroughly enjoyed getting to know everyone that plays a part in it. I am looking forward to next year and the exciting challenges and new ventures that it will bring.

This will be our last newsletter this term, but we will endeavour to send home feedback from the parent forum held on Thursday afternoon. Thank you to those that contributed items to the agenda.

I would like to wish everyone a very safe and happy summer holiday and look forward to welcoming everyone back on Thursday 5th September—a nice gentle 2 day week to start the new term!

Veryan's Greatest Variety Show

Well done to all the children for their fantastic performances in Veryan's Greatest Variety Show. You all worked very hard and we hope everyone that was able to come along to watch enjoyed the children's production.

Thank you for your kind donations towards the hire of the hall and a special thank you to the parents that gave up their time to help set up, decorate, help with lighting etc. both for the performances themselves and in the lead up to the actual shows. Mrs Paull and Mrs Clark did another fantastic job on some of our costumes and we appreciate the use of the hall/ stage and the lighting system to really show off the children's performances.

As a small school it is extremely difficult to accommodate every family in all the performances and we'd like to thank you for your understanding and patience with the ticketing. We want to ensure that everyone has a fair chance to see their child perform at least once, and limiting tickets to 2 per family, followed by a first come first served basis for additional tickets is the fairest way we can accommodate all families within tight safety guidelines and fire regulations (stipulated in our hire agreement) whilst also taking into consideration the children's welfare by not 'making' them perform so many shows at the end of a long term that they would be completely exhausted!

Student of the Week

Carne class: All our performers at Veryan's Greatest Variety Show—we were so proud of you all for getting on the stage and giving it your very best!

Pendower class: Poppy for her effort in handwriting for the Veryan Show and for being such a good friend to her classmates.

Kiberick class: All of year 4 and 5 who demonstrated excellent maturity, independence and studiousness this week. Miss Goodall and Mrs Cartwright were immensely impressed!

Cornish Caretakers

formative production about Cornish history.

We were lucky enough to have the Cornish Caretakers visiting us last week. Thanks to the PFA for organising and funding this visit.

The children in Pendower and Kiberick had a workshop with Mr Rowe in the playground and then the whole school joined Mr Rowe and Ms Beare at the church for a hilarious and in-

"Do you know a Cornish lady called Mary Kallens walked 396 miles to

London and back for a special moment"

"We all thought that it would be boring but it was a fun opportunity to learn about our ancestors"

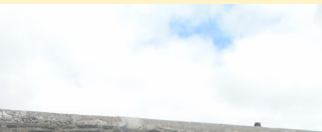

"I found the workshop really fun because we learned a bit about our history and because they acted it out it was really fun"
