### Message from Ms Jarrett

Welcome back to all the staff and children at Veyan, I hope you all had a wonderful summer and enjoyed some precious family time together. Also a special welcome to some new children that have joined us since last term, I have been delighted to meet you and see how well you have settled in such a short space of time into your new school and routines!

The new term has already got off to a busy start with the new Wild Tribe lessons, swimming and Veyan Show preparations in addition to getting to know new faces and, for some, learning new routines and structures. All the staff have been impressed with the children's approach and attitude to getting back into the rhythm of school life—well done to you all. This stands us in great stead for another exciting and packed term of learning and activities.

### Our new Wild Tribe adventures!!

All the staff and children would like to say a HUGE thank you to Mr Trounce, Mr Kendall and all the parents who gave up some of their summer and helped to prepare the school field ready for the new Wild Tribe lessons this term. As you can see it has already been a great success and we are all looking forward to developing these further and being able to provide facilities in the field which mean we can use it all year round and in all weathers.

Please ensure your child has (labelled) wellie boots and appropriate clothing for the weather in school **every day**.

# Student of the Week

Carne class: Archie for stepping up to being a Year 1 pupil with such a great attitude and being a fabulous friend to the other children in Carne.

Pendower class: Rosie for fantastic writing this week and for leading a brilliant story time for nursery and reception children in the library.

Kiberick class: Charlie has had an amazing start to the year—being on task and enthusiastic and a great learning partner to many children.

## \*Year 5&6 bowling sessions at Veryan Bowling Club

We are delighted that Veryan Bowling Club have agreed to lead a group of children each week to teach and develop new skills in bowling at the Veryan Bowling Club.

This will be open to our year 5 and 6 children on Monday afternoons from Monday 23rd September-Monday 2nd December.

The Club have had new carpets and renovation work and ask that the children **bring a pair of slippers** to play in— to give some protection for their feet but also to keep their surfaces clean and clear of outdoor debris.

The children will be accompanied by Mrs Hawkins and Mrs Bullen to the bowling club and will be walking there and back, so they will need waterproofs/warm clothing.

This week you should have received an email with a letter attached from Kernow Health inviting your child to have their nasal flu vaccination.

The email has a link to automatically take you to the online forms.

If you have received a paper copy of the letter, you can enter the details below online to access the forms or use the telephone number to contact Kernow Health and complete the forms over the phone.

## Playground Safety and Safeguarding

Please can we remind all parents and carers that once your child has been dismissed to you at the end of the school day your children should not be allowed to return to the school playground beyond the green gate/fencing.

We need to ensure that all children are safely under the supervision of whoever collected them and are not using the playground equipment out of school hours. We also need to ensure that the playground is available as soon as possible for those children participating in after school clubs with the gates securely locked during these activities.

Following a review of our safety and safeguarding procedures at drop off and collection, we have been advised that all children should be brought into school and collected using the one main entrance/exit in the playground. Therefore, the side gate by the village hall will now remain locked.

Finally, it has been brought to our attention that children are digging and removing rocks from perimeter fencing and walls. Please do not allow your child to dig or play with the rocks and stones—they are very sharp and can cause injury, but it also undermines the integrity of the structures and causes damage to our premises.

We thank you for your understanding and support in these matters.

## Kiberick class—cave construction

Kiberick got stuck straight in to their topic this term creating a brilliant cave in the corner of the classroom (perhaps you'll

be able to pop in and see it on Saturday during the Veryan Show?)

The children painted and created with a sensible and cooperative approach that impressed Mrs Cartwright immensely. The children

now have a cosy cave for games and reading... why not ask your child what they've used it for?
