## Message from Mr Tyers

It is with sadness that I write my final message in the Veryan School newsletter. I have been honoured to lead and work alongside a fantastic team of children, families and community at Veryan.

I look forward to seeing some of you in our collective worship tomorrow morning and saying farewell in person in the school playground.

I wish to thank you all for welcoming me into your school and community over the past year and a half and sincerely wish every one of you the very best in your ongoing journey through education.

Yours sincerely

Josh Tyers

## Our new greenhouse

Granny Beetham is still coming in each week and helping the children to tend to their plants and they hope to grow some delicious treats. Mr Knowles has been kind enough to construct one of our planting beds and we can't wait to see the finished article and begin planting out. A huge thank you Mr Knowles!!

Miss Goodall would like to add to the planting area with a mud kitchen

Do you have some pallets or crates that we could use for this? We would also love to make use of old:

- \* Large watering can
- \* Saucepans (with or without lids)
- \* Frying pans
- \* Large utensils (metal)
- \* And a kitchen sink!! (No really!) Or large metal bowls

If you are able to donate these please speak to Mrs Allan in the school office.

**Carne class:** Sennen for her kindness to others—Sennen always puts others happiness first and thinks of others before herself.

**Pendower class:** Rosie for her fantastic work in her SATs practise.

**Kiberick class:** Kiberick class for being an absolute pleasure to teach and watch develop as independent resilient learners.

### Colour Me Active

On Friday 29th March, Veryan School participated in Grampound Road School Council's Colour Me Active Event, to raise money for Bullies Out (a National Anti-Bullying charity, who provide workshops in schools). We began with a carousel of fun, fitness activities, which included dancing, mini sports games and athletics. A colour run was the exciting finale. We held a KS1 run followed by a KS2 run and the children ended up doused in multi-coloured paint. In total, we raised £470.70 for the charity. The day was enjoyed by everyone involved and we hope to hold another event in the near future. Thank you to everyone who took part.

### Year 3 dance at The Roseland Academy

Pendower children had a lovely time at the Roseland on Wednesday, learning dance routines with some of the Roseland pupils. They then came back into school to show the class some of the routines they had learnt.

### 'Moving Morning'

On Thursday morning a group of children from Pendower headed to Grampound With Creed School to take part in a variety of fun non-competitive sporting activities. Why not ask them about scorpions and spiders? Miss Danks said the children were "excellent today!"

Thank you again for all the parent support we have had with transporting children to and from events this term. We truly couldn't take part in so many exciting off site opportunities without your help. If you are able to give up some of your time, have business insurance on your vehicle, and are willing to have a DBS check please ask at the school office for the relevant information.

### Veryan Sports News

There's still time to take part in 'Guess How Many Sweets are in the Jar' competition. This can be found in the main office and is to raise funds for the National Autistic Society. It is 50p a go - guess correctly and you win the whole tub!!
