## Proud moments

Kiberick class have made an astonishing start to the term—Mrs Cartwright has been really impressed. They tackled some very tricky text-tile work on the topic launch day with fantastic enthusiasm. Well done to all of you!

As there is no Friday collective worship and a short week this week, we will not be awarding a Student of the Week and reading karate reads will carry over until next Friday.

Thank you for your understanding.

## Cornish Hedge Project—Kerdroya Golden Tree

Kiberick class took part in a workshop with Jenny Beare on Tuesday this week, to give an insight into our school's part in the community engagement element of the construction of a Cornish hedge in an area of outstanding natural beauty. They were also lucky enough to meet Will Coleman the Golden Tree Artistic Director of the Man Engine Team.

The children will be visiting the site near the Nare's Head on the 11th July. This is an enormous project and will attract visitors to the area and we are delighted to be part of it. More information can be found on Kiberick's class pages on the school website.

**Note to the children—please wear old clothes to school and bring spare trainers/walking boots or wellies on Tuesday 11th for the site visit.**

# NSPCC

You will have received a letter home this week about the NSPCC programme that will be delivered in school next week. We have put the content summary of the talk on our school website on the 'Parents' pages under 'Useful Information' so that you know what will be discussed with each key stage group. The link below is for the NSPCC website for information that you can share with your child at home.

### Veryan super school band

These are the instruments that we have in our band

Do you want to be in a band?

If you would like to help us get some more people in our band, it is ok! See Mrs Green

We are delighted that Mrs Green has offered to start a school band! To begin with this will be open to all those children that currently learn an instrument in any year group. Once things have got off the ground we may then be able to open this up to other children interested in taking part in percussion etc.

Band practice will take place on a Friday morning after collective worship, if your child is interested and would like to join in, please speak to Mrs Green (Charlie and Archie's mum) and don't forget to bring your instruments in on a Friday morning!
