

Veyan Primary School News

Veyan, Truro, Cornwall, TR2 5QA

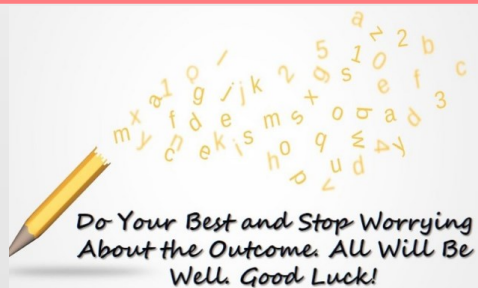

Friday 10th May 2019

Expected average attendance for a child is 96.1%. Our attendance for last week was:

Carne: 96.13% Pendower: 96.25% Kiberick: 99.47%

Congratulations **Kiberick** you are our attendance heroes this week.

Good luck to our Year 6 children sitting their SATs next week!!

Just a reminder that we would love to see all the year 6 children at a special, relaxed SATs breakfast with Mrs Hawkins, Mr Parr and Mrs Nel, who will be ready to serve you some delicious treats to get you off to the best start to the day.

This will be on Monday-Thursday from 8:40am

Reminder: Throughout the school the children are given varying amounts of work to complete at home to help support and consolidate work done in class.

It is important that each child **makes an attempt** at the homework set each week/term by their teacher. We do not expect the children to spend hours or struggle with homework—a maximum of 20 minutes a day is plenty and please feel free to add a note to the teacher if adult help was needed, or if your child found the work particularly easy or difficult. Thank you for your ongoing support

Carne class butterfly release

Carne class have been carefully caring for and raising young caterpillars through to their chrysalis stage and on to fully grown and developed butterflies. The children were delighted to then be able to release the butterflies in the churchyard and even get to hold them in their hand before they took flight!

Thank you to those parents who were able to come along to share in Kiberick class' board games on Friday last week. It was lovely for the children to share their hard work with you and as a bonus raise funds for the year 6 children in the process.

Carne class: George for always showing enthusiasm in his learning and persevering through challenges.

Pendower class: Benjie for approaching his SATs with a positive attitude.

Kiberick class: Thomas for always giving his very best, Mrs Cartwright cannot ask for more enthusiasm and his

A new menu has been added for school census day on 16th May. If you pre-selected your child's meal prior to Monday 29th April you will need to revisit and make a new choice under the new menu.

What is the menu?

The children will be given a cheese and tomato pizza base and will be able to help themselves from a selection of toppings to create their own pizzas. Including sausage, tuna, sweetcorn, peppers and beef. They will also have the usual salad bar, as well as chips and baked beans.

Dessert will be a choice of ice cream or fresh fruit.

Do you have any old blankets or throws that you no longer use?

Our blankets have had to be thrown away and we would love to recycle any that are no longer in use for picnic lunches, snuggling in book corners or for getting cosy outside for quieter outdoor play activities. Also any large pieces of material or sheets that we could make use of in school would be very welcome.

Please hand into the school office. Thank you

Veryan Sports News

Quadkids

Good luck to some of our Pendower class children who will be taking part in Quadkids, an athletics competition at Par Race Track on Friday 10th May. Thank you to Mr Parr for accompanying the group with Miss Danks and Mr Webb the PE leaders. We hope you all have a really enjoyable and successful day and look forward to hearing about it next week!

Charlie took part in an under 8 rugby festival at the weekend followed by an awards day. Owen, Benjie, George T, Archie, Teddy, William K and Charlie were all presented with trophies for their relevant age categories. Perhaps you might like to play rugby? Why not ask one of them about it and see where and when they play?

Charlie said:

"We play for the St Austell rugby team on Sundays."

Benjie and Owen:

"Benji plays tag and I play contact."

Farewell old friend

Our amazing dragon built by Miss Warburton and her after school club last year has left Veryan for the dizzy heights of Celtic Cross Education central office!

Mrs Warburton and her team made the dragon last year from willow and paper and earlier this year it was painted and celebrated by Carne class for Chinese New Year, but it's time for pastures new and our dragon will now live out it's days in the spacious Unit 15 building. We were delighted to get some lovely photos and videos of some of the children parading the dragon on it's last tour of the school.

Bug hotels

Carne class have been busy building bug hotels this week. The children have loved getting hands-on to create cosy environments that Veryan school critters will love!

We still have a little way to go to finish our project and wondered whether any parents/friends of the school may have a few air blocks (red bricks with holes) that we could utilise for a Five Star establishment?!

Pendower class visit

Sylvie in Pendower class (with the help of Mrs Trounce!) very kindly brought her chicks to school to show her class. Midnight, Pearl and friends behaved beautifully and were so accommodating it only seemed fair to show them off to the rest of the classes too!

Thank you Mrs Trounce for giving up your afternoon and thank you Sylvie for sharing them with us.
