

## SPRING TERM - NEWSLETTER - Issue 16- 11th February 2022

### Supporting one another in learning and life. Compassion, Wisdom, Perseverance

#### Message from Ms Jarrett

Dear parents and carers,

As we draw to the close of our first Spring Half Term I continue to be incredibly impressed with the dedication and hard work of all our staff to provide a fun and challenging curriculum for all our children. We have had various visitors in our school this half term and they have all been very impressed with the wide variety of activities that are covered here.

This week has been Internet Safety Week and I just wanted to remind all parents about the Safer Internet tab which is under the Parents section on our website.

One of the key issues which has been recognised is that many of our children play games such as Roblox which do allow interactions with strangers. It is really important that we are all aware of the potential dangers that are present when children engage in online activities.

If you feel that you have any queries or questions regarding online safety which are not addressed in our website section, please do not hesitate to ask in school.

This will be the last Newsletter before the half term holiday, and I hope that everybody has a wonderful break with the chance of some sunshine (without the frost in the morning!).

With very best wishes

Caroline Jarrett

# Dinosaur Natural History Museum

Carne Class Vervan school

Opening on  
Friday 19th Feb

Adults £2

Children £1

9.30-11.30am

Gifts and refreshments will be available to purchase. Come and enjoy a tour from one of our dinosaur and extinction experts. Find out what ended the time of the dinosaurs!

**Pendower** - "This week we made Roman chariots and planned our own version of escape from Pompeii. We used wood, card, glue and wheels to make the Roman chariots, practicing our sawing skills and developing our resilience in trying to glue them together! It was fun!"

Thank you so much to our volunteers who came and helped, we couldn't have done it without you!"

**Kiberick** have been busy organising the school council. The first phase of electing the school council was an informal discussion session with Super Sixes to find out just exactly what is involved.

The. Next phase was the elections ! We were very impressed with all of the candidates and congratulate everyone who nominated themselves for having the courage to step forward. This year each member of the council will have a Super Six mentor to build their confidence and support with things like reading and writing, as well as reporting back to class. This way the process is more child directed

The investiture of school council was a delight to witness with Mr Webb, chair of the Parish Council sharing his experience of service to the community.

Each councillor has a Year Six mentor ( a bit like a civil servant) to support them in their role.

The mentors will support the children before , during and after the meeting and in holding meetings in class.

School council members and mentors = William - Charlie. Teddy - Leo. Holly - Bonnie. Jonah - Ellie k. Vivi - Sylvie. James - Caleb Isaac - Rory. Edward - Oliver

Mrs Cartwright was commended for her excellent driving skills, we are looking forward to going on lots of adventures! Ian was a wonderful instructor and gave lots of great advice . We will of course still need the support of parent drivers as the minibus only carries 14 children .

# Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.

## Director/Trustee Vacancy

Do you have professional or business expertise you'd like to share in a strategic role within our multi-academy trust?

Celtic Cross Education has a vacancy on its board of directors, and this challenging and rewarding position could be just for you.

Directors (also known as trustees) are volunteers with a range of skills and their main responsibilities are to:

- Hold executive leaders to account for the educational, safeguarding and financial performance of the trust.
- Set the strategic direction of the trust.
- Ensure the trust's financial success and probity.

If you have worked in HR, law, risk management, finance or communication, or have skills in problem solving, critical listening or leadership, we would welcome an application from you.

**We are looking for People to join our 'SMC' the contact details if you are interested are Ladock school (please see poster below) this is because Ladock and Veryan have a joint School Monitoring Council**

## **WANTED – SCHOOL MONITORING COUNCILLORS**

### **What are we looking for?**

Our school School Monitoring Council is made up of Councillors from all walks of life and many come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves

### **We want you**

We are currently looking for new Parent Councillors and would be delighted to hear from anyone who has:

- an interest in the performance of the school
- a desire to contribute to and represent the community
- an open and enquiring mind
- the ability to look at issues objectively
- the confidence to ask questions and join in debate
- a willingness to listen and make informed judgements
- the ability to work well with others
- time to spare
- a child or children currently attending the school

If you match the above description, you may be the very person to become a Parent Councillor at Ladock/Veryan School.

Everyone has something to offer, and we want people from as many backgrounds and with as wide a range of interests as possible.

### **What can we offer?**

- The opportunity to work with our school monitoring council team and staff in improving our schools
- A sense of achievement in making a difference to our schools
- The pleasure of helping students reach their potential

### **What is the School Monitoring Council's Role?**

The function of the SMCs is to contribute to school improvement by holding to account the Heads of School for their effectiveness in addressing agreed improvement priorities. They will also help to ensure robust governance across the Trust by engaging with the Hub Councils and, thereby, the Board of Directors.

Each SMC has a key role to play in the overall success of the MAT and in contributing to joint working and sharing best practice between its academies.

A parent councillor is not a delegate and does not speak 'on behalf' of the parent body. The role and responsibilities of parent councillors are no different from those of the other councillors.

The SMC meets three times a year, the meetings and run for approximately 2 hours. The term of office is 4 years. As well as attending meetings councillors are also asked to look at specific areas of the school's work in more detail and report back to the SMC.

To help support councillors, everyone has access to further training to help build on existing skills or to develop new ones.

If you are interested, please email Jane on [ladock.secretary@celticcross.education](mailto:ladock.secretary@celticcross.education) for a form, which asks for a brief description about yourself and why you would like to join the SMC, and return this the school office at email [ladock.secretary@celticcross.education](mailto:ladock.secretary@celticcross.education).

### **Closing date for applications midday on Monday 7<sup>th</sup> February**

Depending on the number of applications, there may be an election process, which ~~will be advised~~ in due course.

# Why is Year 6 being weighed and measured?

The school nursing team is visiting Year 6!

We are going to measure the weight and height of Year 6 pupils as part of our work to help keep the nation healthy.

## Did you know?

- Children are weighed and measured when they are babies, and again in Reception and Year 6.
- It helps the government see how healthy the nation is, and plan health and leisure services for children.
- It's a good chance to check how you're developing and think about ways you can become healthier.

## What will happen?

- You will be measured one at a time in private.
- All you need to do is take your shoes off – it will be really quick!
- Only your parents or carers will see the results – not your teachers or friends.

## Top tips for a healthier you

Everyone can find ways to be healthier – what can you do today?

### 1. 5 a day

Try to eat five portions and a variety of fruit and veg every day.

### 2. cut back fat

Try and keep foods like crisps, buns, cakes, pastries and biscuits as occasional treats only.

### 3. watch the salt

Check the label and choose foods lower in salt and try not to add salt to your food.

### 4. sugar swaps

Swap sugary drinks for water, lower-fat milks, no-added-sugar or sugar-free drinks.

### 5. get going every day

Spend at least 60 minutes walking, playing sport, running around or being active every day.

### 6. me size meals

Children need smaller portions than grown ups. Start with a smaller amount of food on your plate, then ask for more if you are still hungry.
