

SPRING TERM - NEWSLETTER - Issue 17- 04th March 2022

Supporting one another in learning and life. Compassion, Wisdom, Perseverance

Message from Ms Jarrett

Dear parents and carers,

Dear parents and carers,

I hope everyone has had a wonderful half term break and managed to get some time to relax fully. The children have returned with renewed vigour and positivity for their learning which has been wonderful to see.

Thank you so much for your understanding over the closure of the school on Friday 18th February. Storm Eunice was just as bad as predicted in most areas and I was very thankful that our staff and families could be safe inside and not travelling to and from school.

This week has seen many exciting activities including 'World Book Day' when the children came to school as their chosen book character. The day was amazing with some real focus on the love of reading and a time to share and discuss our favourite books.

Every class had a tasty pancake making session on Shrove Tuesday and Carne class have continued to finalise their dinosaur museum ready for the rescheduled 'Grand Opening' on Friday 4th March.

As you will know, the rules around Covid have changed recently and I just wanted to confirm that schools have not changed their approach around self-isolation after a positive test result ... If a member of staff or a pupil test positive for Covid, we still expect that they will not come to school for the period of self-isolation.

This is 10 days, unless two consecutive negative lateral flow tests are obtained after day 5 (24 hours apart) at which point the self-isolation can end.

I'm sure that you will understand this is to keep all staff and children safe as we have those with medical vulnerabilities within our school community.

The only other thing which I need to mention is that we were able to say goodbye to Mrs Spears in Church this morning and have the chance to say how grateful we are for all she has done for us at Veryan. We all wish Mrs Spears the very best for the future and hope that she will continue to keep in touch with us.

Thank you again for your understanding and your ongoing support,

With very best wishes,

Caroline Jarrett

At Celtic Cross Education...

Carne Class worked hard having been working hard all term to build a Natural History Museum shop. Unfortunately it couldn't go ahead when planned due to the storms so it took place this morning and was a huge success. Money was raised for the school and everyone

PANCAKE DAY!!!

Pendower - "Pendower have been extremely busy this week, we have made pancakes for pancake day, celebrated world book day and began to get to grips with our new story Wangari's tree of peace. I have been really impressed with the way that the children have started discussing the issues raised in this true story about deforestation and the Green Belt movement. "

Stemterprise

As part of our learning in science, we are excited to be taking part in the stemterprise project where we will create and run our own farm shop.

We are looking for donations of soil, herb seeds - particularly cress, basil and parsley, fruit and vegetable seeds and things to plant in, be that pots, tyres, grow bags or any other other creative planter you can think of. The aim would be that these plants end up outside, so they would need to be fairly sturdy and weather resistant.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
