Message for our neighbours

Please can we politely ask parents and carers of the school to park considerately at drop off and collection times. The road running adjacent to the public toilets can easily become blocked and prevent our neighbours from getting through.

Additionally clusters of parents/carers waiting or standing in these areas can cause a hazard; we suggest a safer alternative may be on the grass area behind the public conveniences off the public highway or in the village gardens.

Where possible, as a school we shall endeavour to encourage deliveries/coaches etc. serving the school to keep the access clear and apologise to our neighbours for any inconvenience that may be caused during school hours from external services.
