

AUTUMN TERM - NEWSLETTER - Issue 2 – 24th September

Supporting one another in learning and life. Compassion, Wisdom, Perseverance

Message from Ms Jarrett

Dear parents and carers,
Another week has flown by with the children engaging enthusiastically in their ongoing learning while the teachers continue to be incredibly proud of them all with their amazing levels of energy and positivity. Last week we held our Science week exploring a variety of areas of Science across the school. You can see what the children got up to on page 2. The children impressed us all with their thoughtful investigations and curiosity. As well as enjoying our first family service since March 2020, we finished the week off with a day of making scarecrows which were fantastic. These joined the rest of the village scarecrows which really were quite a spectacle! This week we have enjoyed our first RE week of the year which will be featured in next week's newsletter.

Family worship will continue to be every Friday in the church at 9.15am.

I am delighted to inform you that we have appointed a new secretary! Mrs Bennett will be joining our team within the next few weeks and we all look forward to welcoming her to our lovely school.

Finally, please can I remind everyone that until Mrs Bennett joins us, phone calls to the school should be between 8.45am and 11.30 where possible, unless there is an emergency.

With very best wishes for a lovely weekend.

Caroline Jarrett

Mrs Hocking

It is with great sadness that I am announcing that Mrs Hocking will be leaving us at the end of the month. Mrs Hocking has been a highly valued member of staff for many years and we will all miss her very much. She has always been extremely caring and nurturing and a great member of the team. We will all wish Mrs Hocking a fond farewell and the best of luck for her new adventures.

Veryan's Science week - September 13th - 17th

Carne Class - This week we had an Autumn walk, created pictures in the style of Guiseppe Arcimbaldo and spent time in the Wild Tribe field welcoming our chicks back to Veryan.

Pendower update by Sennen, Teddy, Alice and Fleur -

This week in Pendower, we have learnt about light, how it travels and what the absence of light is. Lots of people have loved making the scarecrows and Miss Blayney has enjoyed seeing us all work as a team and getting back to church.

Kiberick learned what happens to humans as they age. It was very interesting to learn about the development of an embryo to a foetus.

We also enjoyed seeing photographs of each other and the staff as babies and young children.

Celebration class certificates in the church - 17.9.21

Carne class- "For doing so well at getting to know each other and becoming a great team."

Pendower class - " For being amazing scientists and carrying out detailed investigations on light. "

Kiberick class - "For all round awesomeness ; following instructions, remembering routines, being responsible and using initiative, creative, hardworking , taking pride, having fun!"

Starting school

September 2022

Applying for a place in a reception class for children born between 1 September 2017 and 31 August 2018

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Electric Car Club for the Roseland – an alternative to car ownership!

Do you own a car that is only rarely used? Have you ever needed to use a car for just a few hours or for a day? Maybe you have a second car that isn't used much but costs a bomb to get through the MOT every year? In fact, simply owning a car costs around £3,000 per year in terms of running costs and depreciation – and all for something that might not even move 95% of the time!

That's why, as part of local group REACT's mission to help people on the Roseland lead more sustainable lifestyles and reduce carbon emissions, we want to bring an electric car club to the Roseland, partnering with Co Cars. Co Cars is a not-for-profit cooperative social enterprise that already successfully runs a growing network of electric cars in Truro, Falmouth, Plymouth and Exeter.

As a Co Cars member, you can book any car in their network. Electric cars can be hired from as little £5.50 per hour, (£40 for 24 hrs or £11 for 7pm – 7am) for an all-inclusive price that covers charging at the Co Cars charger, insurance, tax and roadside assistance. (For more details have a look at Co Cars website)

Each car club car also reduces the pressure on car parking spaces as well as helping our environment by tackling congestion and pollution.

To help us gauge interest in Co Cars coming to the Roseland, please take a couple of minutes to complete our short survey <https://bit.ly/ElectricRoseland> which will be live until 30th September.
