## Message from Mr Tyers

*This newsletter comes a little early this week, as unbelievably our last day of school is tomorrow! As always we have had a busy term, but certainly full of fun and festive spirit in these past few weeks. I, and all the staff have been so proud of the children and their ability to focus on learning and their tasks when interspersed with rehearsals, learning new songs and meeting new people. Last week most of the school went to sing at the village hall for the community Christmas lunch, while others enjoyed an active afternoon of sport. Well done to both groups who represented the school beautifully.*

*We have obviously been toing and froing from the church in preparation for our Christmas service and Nativity, which culminated in last night's excellent, lively performance! Thank you to all of you for supporting the children and bringing them back to school in the evening. We hope you all enjoyed their performance and are as proud as we are of their efforts.*

*We have a couple of fun, but hopefully relaxing days in school to enjoy some celebrations and share in some Christmas joy together as a whole school, and I'm sure the children will be looking forward to their disco tomorrow afternoon?!?!?*

*From myself and all of the team at Veryan, we wish you a very merry Christmas and a happy New Year. See you all on January 7th!*

You should have received a text this week to explain that the menu may differ slightly to that originally advertised, to avoid food wastage.

The menu for Thursday 20th is now fish and chips and a variety of Christmas biscuits/cakes. Please amend your child's meal choices as required.

Don't forget to place your child's orders for the beginning of the new term!!

## Christmas disco

**Don't forget to come to school in your sparkliest, most festive**

**party outfit for the school disco on Thursday afternoon.**

**It will be held from 1-3pm at the Veryan Sports and Social Club. The children can be collected directly from the club from 3pm (taxi children will be brought back in time for normal pick up).**
