

SPRING TERM - NEWSLETTER - Issue 20- 29th April 2022

Supporting one another in learning and life.
Compassion, Wisdom, Perseverance

Message from Ms Jarrett

Dear parents and carers,

I hope that everyone has had a wonderful Easter break and the chance to relax and unwind whilst enjoying family time (and a bit of chocolate)!

Thank you so much to those of you who were able to join us for the Easter Eucharist Service on the last day of term; it was truly a fantastic experience and grateful thanks again to Father Doug for all his support and input. It was also lovely to see so many parents and carers attending the open morning session following the service to explore and share their children's learning with them.

This term has started well with the classes embarking on new topics and learning. No doubt, you will be hearing all about this in the near future.

Please remember that next week is a shorter one due to the Bank holiday on Monday May 2nd.

With very best wishes for a relaxing long weekend,

Caroline Jarrett

Second-hand Uniform sales...

We are looking for donations of Good Condition Uniform that your child(ren) have grown out of. Once we have enough we will be setting up a website where people can browse for, and buy second-hand uniform at great prices. This will raise money for the school, be cheaper for those buying it and be good for the environment so we are very keen to get this up and running. Many thanks!

We are recycling old Ink Cartridges to raise money for the school, so if any body has any, or next time you change one, please think of us and bring them in, thank you!

Sharing Veryan's learning...

Carne Class—

We learned about our school story The Good Samaritan. We decided to think of lots of ways we can help each other in our learning and in every day school life. We pinned these to our kindness tree. It was really exciting to see how quickly our tree got full up with all the kindness we showed each other!

We are busy repotting and caring for all our vegetable plants as part of our Stemptaprise project. We made supports for our peas using Willow and we are making sure the plants have everything they need, including lots of sunshine, by placing them in sunny spots in our playground, plenty of water, cosy and nutritious compost and of course, lots of LOVE!

"In Reception we have been practicing our writing using an activity called 'Hold a Sentence'. Miss Goodall says a sentence aloud and then we have to try and hold it in our memory and write it down using our sounds. We use the sounds on the wall and we use our Fred Fingers to help us work out the sounds in each word. We have to remember to put finger spaces between each word and put a full stop at the end. Miss Goodall is REALLY impressed with how well we all did!"

Pendower - It has been RE week in Pendower this week and we have spent the week finding out what happened after Easter Sunday. I have been really impressed with the insightful links that the children have made between different areas of our RE learning, including linking our learning to words that they have heard in hymns and bible stories that they know. This shows an impressive level of deep thinking about our RE content. The children have written diary entries in role as disciples about what happened after Easter, as well as writing poems about the Holy Spirit and creating sketches of what they think Pentecost would have looked like.

Kiberick...

Kiberick's Stemterprise project is to create a food dish to sell at the Veryan School Farm Shop that will be held on Friday 20th May.

Kiberick enjoyed foraging for wild garlic led by Mrs Holloway. The golden rules of foraging are ; always go with someone who knows what they are doing ! Never take more than you need and never take the last of a plant .

Back at school we made pesto - we are going to experiment with this ingredient to see of we can include it in our food product ...

The eagerly anticipated Easter Egg hunt ! This year , Year Six chose to hide sweets, an Easter sticker and message of kindness in plastic eggs that will be reused next year. All pupils were also treated to a chocolate egg from the mysterious Easter Bunnies!
