School News

Friday 19th June

Veryan, Truro, Cornwall, TR2 5QA

veryan.secretary@celticcross.education

Dear parents and carers,

I hope this newsletter finds you all well...

I would like to update you as best I can on next year at Veryan School. I am very happy to tell you that we will be continuing with our three class structure and the same teachers will be working in each room.

Kiberick Class – Mrs Cartwright

Pendower Class – Miss Blayney

Carne Class – Miss Goodall

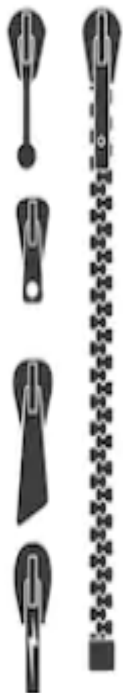

We are still awaiting Government guidance on how schools will need to be run in September, so unfortunately I cannot be sure of the structure of each class yet. As soon as we know the expectations, we can plan accordingly and will let you know as soon as possible. I know how frustrating it is to have to wait for news and I thank you for your patience with this.

You will have seen last week and in the section below, that the Y6 bubble have been very busy preparing and planning some wonderful things at the moment; the children have embarked upon an 'Enterprise Project' in order to raise money for the school. The first project is making decorative lavender filled birds, which are truly beautiful as you can see in the picture on page 5!

Mrs Cartwright, Mrs Hawkins and the Y6 bubble wanted me to say that they miss everyone and hope you're enjoying the videos on Class Dojo. We want everyone to still feel connected.

With best wishes for a lovely weekend.

Caroline Jarrett

Year 6 Enterprise Project

For our Year 6 enterprise project we are asking if any of you lovely parents or friends of the school have any materials, new zips, shells, jam jars (or similar) that you would be happy to donate. We would be very grateful and look forward to sharing our results with you!

Thank you from the Year 6s.

Calling all primary school children! 
We need your help. Share your creative ideas to help encourage frequent hand washing – the best way of stopping harmful microbes.

How to avoid catching or spreading microbes

There are things you can do to help stop viruses like coronavirus spreading.

Do:

- ✓ cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- ✓ put used tissues in the bin immediately
- ✓ wash your hands with soap and water often – use hand sanitiser gel if soap and water are not available
- ✓ try to avoid close contact with people who are unwell

Don't:

- ✗ do not touch your eyes, nose or mouth if your hands are not clean

How can you stop coronaviruses spreading?

If you need to cough or sneeze			You should wash hands with soap & water or hand sanitiser				
							
Catch it with a tissue	Bin it	Kill it by washing your hands with soap & water or hand sanitiser	After breaks & sport activities	Before cooking & eating	On arrival at any childcare or educational setting	After using the toilet	Before leaving home
✓ Try not to touch your eyes, nose, and mouth with unwashed hands			✓ Do not share items that come into contact with your mouth such as cups & bottles		✓ If unwell do not share items such as bedding, dishes, pencils & towels		

Reading at home

Useful links and resources from Deborah Averill. Early Years Library Officer & Bookstart Coordinator Cornwall

The first is a link to Amazon and BookTrust's recommendations for ages 3-5.

<https://www.amazon.co.uk/gcx/BookTrust-Picks-ages-3-5>

The links below are to lovely signed versions of some fantastic books.

A set of resources to download and use with one of my favourite Julia D books. The signs for this one are on a printable sheet.

[monkey-puzzle-20th-anniversary-activity-sheets](#)

This is the book with Makaton signing
[Makaton signed While We Can't Hug](#)

A great book about being deaf and lip reading with additional signing – read by the author and her husband

[Julia D reads Freddie and the Fairy \(with signing\)](#)

This week's mini novel is brought to you by Fredster (Freddie). Cosy up and enjoy!

The Adventures of the Ninjas

The nabigaters were trying to find the dragon in the grand canyon. The nabigaters were girls who wanted to be princesses and thought if they had a dragon they could be safe from boy ninjas. The boy ninjas names are yeet, minecraft, fortnite, floss, hype, youtube, and glow.

Yeet is the bossssss who said to his boss mrs Cartwright "we will go to the grand canyon to save the dragon from the nabigaters.

mrs Cartwright said "good idea" and to go right away.

All the boys climbed in to the mercedes benz g550 wagon. Minecraft is driving really fast, it was bumpy and gritty it took a long time to get there stopping to eat and drink .They all enjoyed the off roading making lots of dust with wheel spins and dohnuts.

The ninja's went up high and low round high hills, saw waterfalls , animals ,plants and eventually got to the dragon. He was sad, fortnite said" we should leave him here" as the dragon didn't want to go , he wanted to stay. They told the nabigaters they were not to take him with them so they left him at the grand canyon as he liked to be visited by tourists and he kept his eyes on the things that were all around him . The nabigaters were happy because they had got lost and stuck and the ninjas helped them .We went back to have a big party , with lots of food , sweets , choclet , fizzy drinks and juice.

Keep the mini novel's coming!!

Next week in our mini-novel series will be a story from Sennen.

Carne bubble: This week's learning has been all about habitats and life cycles. We researched an animal of our choice using the Chromebooks— we recorded its life cycle and some important facts and then created mini habitats to show the type of environment the creature would live in.

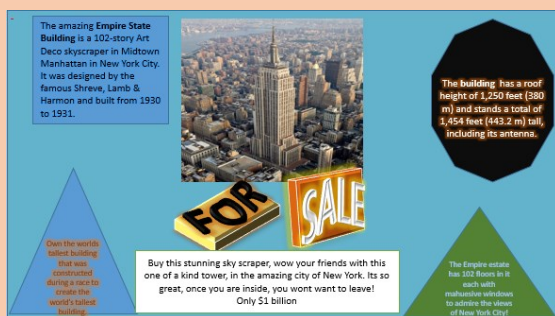

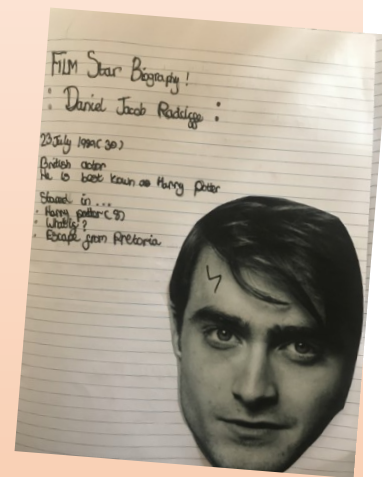

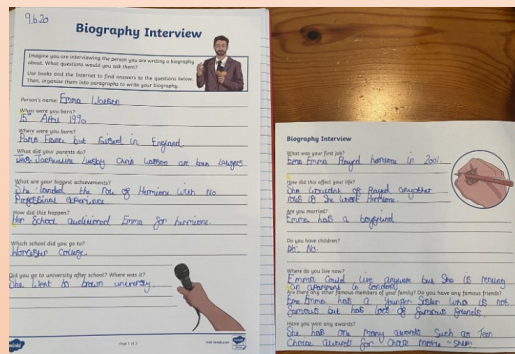

The children were inspired to incorporate bases and dens into their play and so as soon as they came out we went outside and created spaces for different purposes; somewhere to hide, somewhere to cool off and read, somewhere to plot and plan our next play mission.

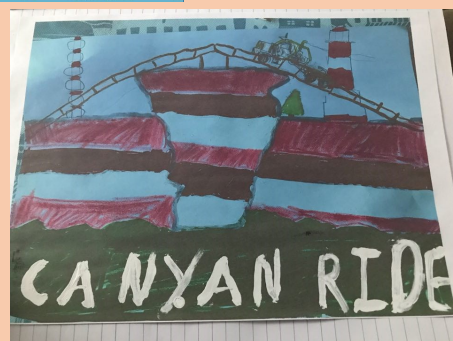

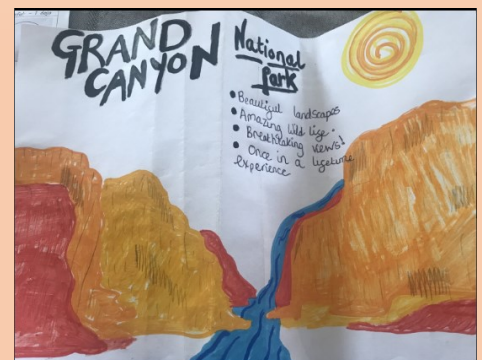

Continuing our North America topic in Kiberick, the children have produced a range of work such as;

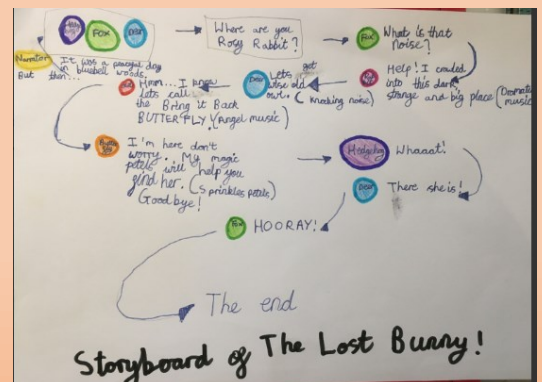

Hollywood Star biographies by Ysella, Amy and Sylvie

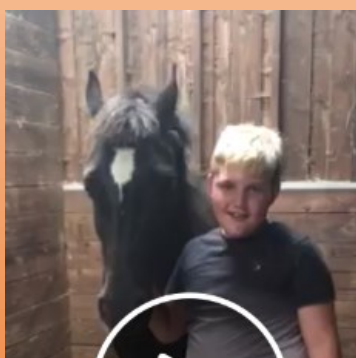

Caleb and Sylvie advertised a famous land mark

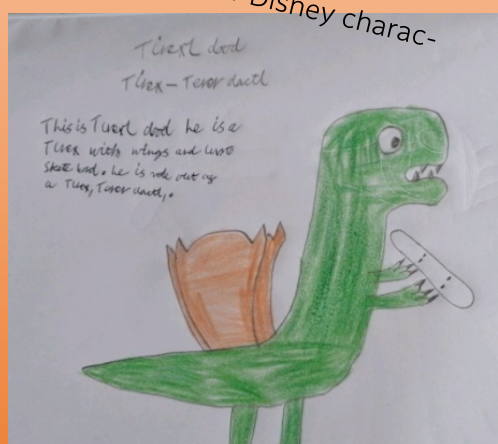

Charlie invented a new ride

Ysella created a story board

Owen has taken advantage of some free time to ride his horse, Aliyanna.

Fredster and Leo invented new Disney charac-

Our Kiberick bubble in school made these lavender birds
